The Southwest County Child Care Council (SWCCCC) is one local council within the non-profit organization called The Riverside County Child Care Consortium. SWCCCC meetings are open to the public and we encourage new membership from individuals interested in the topics of child development. We are developing new and innovative programs and activities for the upcoming year and would love to have the input of members of the faith or business community as well as parents, early childhood educators, non-profits and for profit agencies serving children and families.

For further information regarding the SWCCCC meetings, please contact Lorie Lacey-payne, President @ 951-358-6858 or lapayne@rcmhd.org. Please **RSVP your attendance** to Micheala J. Williams @ 951-791-3128, or mjwillia@riversidedpss.org.
