

Childcare Providers,

Do you wish training your staff at the start of the new school year was easier? Are you watching the same irrelevant training videos year after year? **Finally, a new staff training video has been released that is just for childcare centers!** Developed by a preschool, for preschool staff-- this video is a must-have for your annual training!

**DIRECTORS &
ADMINISTRATORS:
Finally a Blood Borne
Pathogens video for
Preschool and Childcare
Programs!**

Blood Borne Pathogens & Universal Precautions for Childcare Programs

Top five reasons you need this DVD Training System:

- Meets OSHA and Licensing requirements for annual blood borne pathogens training for your staff
- Saves time and energy by having a complete training package
- All materials are provided for you, including testing materials
- Online updates and support available 24/7
- Each staff member will receive the same accurate information, ensuring that your whole team will be effectively trained!
