The West County Child Care Council (WCCCC) is one local council within the non-profit organization called the Riverside County Child Care Consortium (RCCCC). WCCCC meetings are an opportunity for networking, and are open to the public. Our membership consists of the faith and business community, early childhood educators, non-profits and for-profit agencies. We encourage new membership from individuals interested in the topics of child development.

For further information regarding the WCCCC meetings, please contact Estella Briceño, 760-863-2912 or [Esbricen@riversidedpss.org](mailto:Esbricen@riversidedpss.org). Please RSVP your attendance to [esbricen@riversidedpss.org](mailto:esbricen@riversidedpss.org) or 760-863-2912.
